

Emerald Downs Opening - Under New Management!

Muckleshoot Indian Tribe Owns the Track - 20th Season Starts April 18th

A new big screen is slated for installation at Emerald Downs by early summer similar to this video screen at Saratoga Racecourse.

Emerald Downs opens for racing this month beginning its 20th season, a 70 day meeting under the management of Emerald Downs LLC owned by the Muckleshoot Tribe. The new President of the Emerald Downs LLC is Phil Ziegler formerly of Zia Park in New Mexico and casino operations in Louisiana. Ziegler announced that the 2014 Emerald Downs management team has been retained to operate the track in 2015 including former President Ron Crockett as a consultant.

Emerald Downs will install a 30' x 45' big screen above the tote board by early summer this year to give patrons an excellent view of the races from all seating locations. Upgraded television monitors throughout the track are also being installed. Emerald just announced a shipping program to give horsemen a \$400 bonus for bringing horses in from out of state. Earlier this year it was announced that daily average purses at Emerald Downs will increase 20% this year which already has attracted additional horses to the barns and will increase field sizes and enhance the betting experience for this year at the track set to run April 18 - Sept 27.

Z Thoroughbred Racing currently has three horses in training at the track including the multiple stakes-placed 4 year-old filly **Sunpenny** who was nominated for 2014 3 year-old WA Champion filly. Also, 3 year-old unraced Raise the Bluff filly **Lauren's Bluff** has recorded 4 workouts so far at the track. 2 year-old Rocky Bar filly **Rocco's Joy** has been on the grounds since Feb. 1st for trainer Blaine Wright.

ZTR's filly **Sunpenny** begins her 4 year-old campaign this year at Emerald Downs after placing 3rd in the Chandler Stakes at Turf Paradise last November.

Both Rocco's Joy and Lauren's Bluff are available for partnership shares.

Z Thoroughbred Racing LLC was founded by managing partner Steve Zerda in 2010 to bring the opportunity for thoroughbred ownership to more racing fans in the Pacific Northwest. Steve is currently on the Board of Directors of the Washington Breeders and Owners Association and is formerly a successful airline executive whose interest in horse racing began back in 1978 when he calculated Beyer figures by hand for races at Santa Anita, Hollywood Park, and Del Mar. Steve has studied pedigree analysis and conformation to enable the acquisition of quality stock for racing. Along with his company based in Renton, Washington, Steve previously owned a portion of the multiple Grade I winning filly **Turbulent Descent** based at Hollywood Park, winner of the Hollywood Starlet (G1) as a 2 year-old in 2010, and an Eclipse Award finalist for 2010. At 3, **Turbulent Descent** won the Test Stakes (G1) at Saratoga, the Santa Anita Oaks (G1) and the Beaumont Stakes (GII) at Keeneland and was 2nd in the Las Virgenes (G1) and Acorn (G1) and finished a troubled 5th in the 2011 Breeder's Cup Filly & Mare Sprint.
